

St. Joseph Catholic School Library Birthday Book Program

Would you like to honor a special child or grandchild while supporting his or her school library at the same time? If so, you'll want to participate in the SJCS Library Birthday Book Program.

Here's how it works:

For \$20 your child/grandchild will select a book from our collection of new books during his/her birthday month. A book plate (sticker) will be placed in the book and he/she will be the first to check out the book. Once the book is returned, this special book becomes part of our library collection for all students to enjoy for years to come!

Please complete the following information:

FOR:	<u>Name of Child(ren)</u>	<u>Birthday (month/date)</u>
