Summer Reading

Students will be expected to read at least ONE book over the summer from the list below. Students are encouraged to read other books outside of this list and to keep a log of books and time spent reading. Rewards will be given to students who read the most minutes in each class.

Please note, students will be completing a project based on one of the following books when they return in August:

Counting by 7s- Holly Goldberg Sloan
Because of Mr. Terupt- Rob Buyea
Toliver's Secret- Esther Wood Brady

With these books, we will be discussing Catholic Social Justice, specifically that we are called to live as a family and community. As you read, please keep this thought in mind, and how it connects to the novel, and how you can apply this in your community over the summer.

Jesus knew that people need other people. None of us will ever live our lives in complete isolation. We all need our families, friends, and neighbors. He tells us that it is right that in our lives we have these important people who help us. And Jesus says we must help them too. Through this, we create a loving community.
